*‘Oh how I long to return
to our beloved B-Street’*

Inspired by the story of No.17 Bruton Street
as a glamorous Mayfair townhouse,
our bar imagines the perfect place
to begin and end the night in style.

A place of playful botanical mixology
and carefree celebration,
our cocktails speak of the fruitful plunders
of weekend escapades
– collecting wildflowers and foraging herbs
– then returning home to No.17,
ready for the next round.

At Lilibet's, our cocktails weave together
past and present and invite you
to join in the story.

A decorative vertical border in a light brown color. It features a central vertical line with arrowheads at both the top and bottom. At each of the four corners, there is a stylized fish icon facing outwards, connected to the border by a wavy line.
