LILIBET'S
TUNNY CLUB

• 21-27 September 2026 •

The Lilibet's Tunny Club is an annual celebration of British bluefin tuna or 'tunny', as it was historically known. A nod to our heritage, each September we channel the eccentric spirit of the 1930s British Tunny Club while championing the return and sustainable sourcing of this majestic fish, line-caught in British waters.
